Re: END-USE CERTIFICATE/STATEMENT OF ASSURANCE

This information is required by the U.S. export control regulations and is part of the due diligence PowerTech employs in its transactions.

We acknowledge that the export, re-export, or import into any other country of commodities, technical data, or software that we have purchased, or will purchase, from PowerTech ("Controlled Items") may be subject to the export/import control laws and regulations of the U.S. or other countries, including the Export Administration Regulations ("EAR") issued by the U.S. Department of Commerce, Embargo and Sanction Regulations issued by the U.S. Department of Treasury, and the International Traffic in Arms Regulations issued by the U.S. Department of State. We agree and undertake to comply with all applicable export/import control laws and regulations. In particular:

1. We certify that we will not directly or indirectly export, re-export, transmit, or cause to be exported, re-exported or transmitted, any Controlled Items to any country, individual, corporation, organization, or entity to which such export, re-export, or transmission is restricted or prohibited, including any country, individual, corporation, organization, or entity under sanctions or embargoes administered by the U.S. Departments of Treasury or Commerce, or any other applicable government authority.
2. We certify that we will use the Controlled Items for civil end-uses only and will not use them in relation to nuclear, biological or chemical weapons or missile systems or the development of any weapons of mass destruction.
3. We acknowledge our responsibility to obtain any license to export, re-export, import into any other country, or transmit any Controlled Items as may be required under any export/import control laws or regulations. We will not export, re-export, import to any other country, or transmit any Controlled Items except in accordance with the terms of the license issued by any applicable government authority.

Diversion contrary to U.S. law is prohibited.

This Certification shall survive the term and termination of the relationship between PowerTech and Purchaser:

1. PURCHASER

Company Name: _____

Address: _____

2. Program/ System Name and End User: _____

Signature of Authorized Company Representative: _____

Print: _____

Title: _____
